

Inter County Squash Report Orkney v Shetland 2011

Orkney secured a comfortable victory 7 games to 2 over Shetland in last Saturday's annual Inter County.

Both teams were affected by injuries and withdrawals to key players but the standard of play remained high and some good games prevailed.

It was always going to be difficult for Orkney's women as Shetland are always strong in that department. Orkney managed to secure one victory out of the three games when Melanie Sclater won her game 3-0. Betty Stanger and Marie Wylie both succumbed to their opponents to the same score losing 3-0.

In the men however things were different where all six Orkney men won their games quite convincingly, only dropping one set out of the six games, all others finished up 3 games to 0.

Full Results:
